#### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors Metropolitan Ministries, Inc. and Affiliates

#### Opinion

We have audited the accompanying consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively, the Ministries), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statement referred to above present fairly, in all material respects, the consolidated financial position of the Ministries as of June 30, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Ministries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ministries' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

3

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ministries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Report on Summarized Comparative Information

We have previously audited the Ministries' 2022 financial statements, and our report dated November 17, 2022 expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Other Matters**

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statement of financial position and consolidating statement of activities and changes in net assets are presented for additional analysis and are not a required part of the consolidated financial statements. The schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; and Chapter 10.650, Rules of the Auditor General is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 16, 2023, on our consideration of the Ministries' internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Ministries' internal control over financial reporting and compliance.

#### NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A description of the organization and a summary of the significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follow:

#### 1. <u>Description of the Organization</u>

Metropolitan Ministries, Inc. is a community-supported, nonprofit organization founded in 1972 whose mission is to care for the homeless and those at risk of becoming homeless in the community, through services that alleviate suffering, promote dignity, and instill self-sufficiency as an expression of the ongoing ministry of Jesus Christ.

Metropolitan Ministries is a faith based social services organization caring for all those who come in need of assistance. Metropolitan Ministries provides answers for poor and homeless families, faithfully. This has been the cornerstone of the Ministries' approach since its founding. Over the past 50 years, as the number of homeless families and hungry people has increased, the Ministries has remained committed to reaching out and providing services that help prevent homelessness, ease hunger and offer homeless people life-changing solutions leading to self-sufficiency.

The Ministries offers three distinct programs:

- <u>Outreach and Prevention Services</u> The focus of this program is reaching out to hungry people and preventing homelessness as follows:
  - *Street Outreach:* Metropolitan Ministries' street outreach team, the BrigAIDe, focuses on engaging adult homeless individuals to provide wrap around services resulting in a transition to shelter or housing. Services are provided in Hillsborough, Pasco, and Pinellas County.
  - Hunger Relief Metropolitan Ministries meets the needs of hunger in our community through prepared meals served at community partner locations, meals for residents, food boxes distributed through community partners, food pantry items distributed through the Metro Market and Holiday Tent. Metropolitan Ministries provided food equivalent to 3,285,352 meals to the Tampa Bay Community in the year ended June 30, 2023.
  - Homeless Prevention Programs: The Family Support Centers operate and strive to provide resources to prevent homelessness or alleviate suffering throughout Tampa Bay. The Family Support Centers are located in downtown Tampa, central Tampa, and East and West Pasco County. Services include providing emergency food, clothing, rent and utility assistance, connection to community resources, and system navigation services. In the year ended June 30, 2023, 1,943 families were provided with rent or utility assistance to prevent homelessness.

#### NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Outreach and prevention services program expenses totaled approximately \$20,495,000 for the year ended June 30, 2023.

- <u>Residential and Offsite Programs</u> Uplift Hall, Hope Hall and offsite apartments and programs are aimed at dealing with the issues of poverty and homelessness by focusing on the needs of each individual situation, as follows:
  - Miracle Place Residential Programs: Metropolitan Ministries provides emergency \_ housing and support services for families and single women. Typically, households stay between 3 to 6 months. Throughout their stay, residents receive case management and support services designed to address barriers to housing stability. The Tampa campus resided 79 households and the Pasco campus resided 24 households daily. Two (2) households also resided in an offsite apartment in Hillsborough County while participating in the emergency shelter program. A total of 353 families were served in the year ended June 30, 2023. Families have the option to continue staying on campus after completing the emergency housing program in a "Kitchenette" unit. Families renting kitchenette units can access the same support services while paying a low rental fee, which helps families rebuild credit, complete education plans, practice putting income toward rent, and build savings. Families utilized 22 rooms daily as "Kitchenette" units (20 in Tampa, 2 in Pasco). During the year ended June 30, 2023, 48 families were served.
  - *Uplift Hall* provides transitional housing and life skills programs for families and single women who need more intensive long-term services.
  - *Hope Hall* provides emergency short-term housing and life skills programs to families and single women who face homelessness due to unemployment and need help to get back on their feet.
  - Health and Wellness The Ministries provides nutritious healthy well-balanced meals and snacks each day for all residents and Head Start children. The Ministries also provides health and wellness resources and increased access to medical care to resident homeless families and single women. The program utilizes a comprehensive health assessment to determine residents' health and wellness needs. The gym is utilized to provide physical fitness activities for all ages. Access to medical care is provided on site through partnerships with a medical provider and mobile clinic services.

Job readiness preparation is a key element including assessment, counseling, learning and demonstrating "soft skills" such as punctuality, on-task behavior and time management. For residents who have completed the readiness preparation or already have the skills and experience to move forward, the Ministries assists them in accessing job placement services and long-term training programs in the community.

Childhood and adult education services program expenses totaled approximately \$5,407,000 for the year ended June 30, 2023.

The Ministries' operating funds are generated primarily from private contributions. The Ministries also receives government grants, which comprise approximately 18% of total public support and revenue. The Ministries also operates a thrift store and catering service to help fund its operations and comprise approximately 1% of total public support and revenue. The Inside-The-Box and DoughNation Catering offer catering services and desserts to the public and is staffed primarily by former residents who have successfully completed the Ministries' Inside-The-Box Culinary Arts Program.

The ability of the Ministries to continue to provide services is dependent on the availability of funding and community support. The Ministries works to generate community funding for the Ministries' programs. This funding support consists primarily of cash and stock donations, and non-cash gifts such as food, clothing, and services.

Mid 2018, Metropolitan Ministries began a joint venture journey including the creation of two new entities, Metropolitan Ministries Developer, LLC and Metropolitan Ministries Broadway, LLC, with a developer to maximize tax credit benefits in the construction of a 112-unit affordable housing apartment complex in Seffner, Florida. The opening of Sabal Place took place in February 2021 with all 112 apartments leased to families.

In fiscal year 2022, Metropolitan Ministries solicited and received funding to expand the Pasco campus. An architect and engineering firm was engaged for planning purposes. Plans include 24 additional residential units, an early childcare facility, and an Outreach/Welcome Center. The residential and Outreach/Welcome Center will open in fiscal year 2024, with the early childhood center opening by fiscal year 2025.

#### 2. <u>Principles of Consolidation</u>

The consolidated financial statements include the financial statements of Metropolitan Ministries, Inc., Metropolitan Ministries Foundation, Inc., MiraclePlace Pasco Tampa Initiative, Inc., Metropolitan Ministries Developer, LLC, and Metropolitan Ministries Broadway, LLC (collectively referred to as the Ministries). All significant inter-organizational transactions have been eliminated in the accompanying consolidated financial statements.

Metropolitan Ministries Foundation, Inc. (the Foundation), a Florida nonprofit corporation, was organized in October 2003 by the Ministries for the purpose of creating and managing its endowment gifts and related assets. The Ministries is the sole recipient of the Foundation's income. The Foundation makes a 5% distribution to the Ministries annually to be directed towards program service.

MiraclePlace Pasco Tampa Initiative, Inc. (MPTI) is a Florida nonprofit corporation formed in May 2014 to accommodate the Ministries' New Markets Tax Credit Chapters 2 and 3 funding of new construction. The purpose of the entity was to hold certain assets of and title to property, collect income from that property, and turn over income from that property on behalf of the Ministries, pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986.

Metropolitan Ministries Developer, LLC (MMD) and Metropolitan Ministries Broadway, LLC (MMB) are Florida limited liability organizations organized in March of 2018 to accommodate certain tax credit benefits associated with the construction of a 112-unit affordable housing apartment community in Seffner, Florida. The purpose of these entities is to collect fees associated with construction and management of the complex on behalf of the Ministries.

MPTI was dissolved in July 2022 and MMD was dissolved in April of 2023. The assets of the dissolved entities were transferred to MMI at the time of dissolution.

#### 3. Basis of Accounting

These consolidated financial statements, presented on the accrual basis of accounting, have been prepared to focus on the Ministries as a whole and to present net assets, revenues, and expenses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- <u>With Donor Restrictions</u> Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be fulfilled by actions of the Ministries to meet the stipulations, that may become undesignated by the passage of time, or that require net assets to be permanently maintained, thereby restricting the use of principal.
- <u>Without Donor Restrictions</u> Net assets without donor restrictions are net assets not subject to donor-imposed restrictions or the donor-imposed restrictions have expired. These net assets are available for use at the discretion of the Board of Directors and/or management for general operating purposes.

#### 4. Accounting Standard Update

Effective January 1, 2022, the Organization adopted ASU 2016-02, *Leases*, and related subsequent amendments. The guidance in this ASU supersedes the leasing guidance in topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance of operating leases at, or entered into after, the beginning of the earliest period presented in the financial statements, with certain practical expedients available. There was no cumulative effect of applying the new standard and accordingly there was no adjustment to the Ministries' net assets upon adoption. The comparative information presented has not been restated and continues to be reported under the accounting standards in effect for those periods.

5. <u>Liquidity</u>

Assets and liabilities are presented in the accompanying statement of financial position according to their nearness of conversion to cash and, their maturity and resulting use of cash, respectively. See note B for more information on liquidity and availability of assets.

#### 6. <u>Revenue Recognition</u>

Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### June 30, 2023

#### NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

All donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions, including unconditional promises to give (pledges), are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. An allowance for uncollectible pledges is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of the fundraising activity.

#### 7. Cash and Cash Equivalents

For purposes of consolidated statements of cash flows, the Ministries' considers all highly liquid investments, such as money market accounts to be cash equivalents. Cash held in investment accounts that is not intended for operating purposes is included in investments.

#### 8. Investments

Investments are stated at fair value based upon quoted market prices with dividends, interest, investment fees, realized and unrealized gains and losses captioned as investment return, net on the statement of activities and changes in net assets. Management determines the appropriate classification of investments as short or long term in accordance with asset allocations and investment policies.

#### 9. <u>Pledges Receivable</u>

The fair value of the pledge receivable is estimated by discounting expected net future cash flows. The Ministries recorded a provision for uncollectible amounts of approximately \$165,000 at June 30, 2023 in the accompanying consolidated financial statements.

#### 10. Grants and Other Receivables

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the consolidated financial statements.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### June 30, 2023

#### NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The Ministries expects to collect all balances in full, so there is no provision for uncollectible amounts at June 30, 2023. The Ministries does not charge interest on past due balances.

#### 11. Land, Buildings, and Equipment

Land, buildings, and equipment are stated at cost. Donated property and equipment are recorded at fair value at the date of donation. Depreciation is calculated over the estimated useful lives of the assets on the straight-line basis. Estimated useful lives for the Ministries' buildings and other furniture, equipment and improvements are 30 years and 5 to 10 years, respectively. The Ministries capitalizes asset acquisitions that exceed \$3,500.

#### 12. Income Taxes

Metropolitan Ministries, Inc., Metropolitan Ministries Foundation, Inc., and MiraclePlace Pasco Tampa Initiative, Inc. been granted exemptions from federal income tax under Section 501(c)(3) of the Internal Revenue Code and from Florida income tax under Chapter 220 of the Florida Statutes. Accordingly, no provision for income taxes has been included in the accompanying consolidated financial statements. Management is not aware of any activities that would jeopardize the tax-exempt status of the Ministries.

Metropolitan Ministries Broadway, LLC does not incur income taxes; instead, its earnings are included in Metropolitan Ministries, Inc. tax return. MMB has not been profitable since inception and the financial statements, therefore, do not include a provision for income taxes.

#### 13. <u>Non-cash Contributions and In-kind Services</u>

Donated materials and professional services are reflected in the accompanying consolidated financial statements in as much as an objective basis is available to measure the value of such materials and professional services. For those donated materials and nonprofessional services for which no objective basis is available to measure the value, no such contributions are reflected in the accompanying consolidated financial statements. The ministries did not monetize any contributed nonfinancial assets and unless otherwise noted, contributed nonfinancial assets did not have donor restrictions. See also note F.

A substantial number of volunteers have donated significant amounts of their time in the Ministries' program services that are not reflected in the accompanying consolidated financial statements. These volunteer services had an estimated value of approximately \$3,626,000 for the year ended June 30, 2023.

#### 14. Functional Allocation of Expenses

The costs of providing the various programs have been summarized on a functional basis in a separate consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. To the extent relevant, expenses related to operating facilities are allocated on a square footage basis. Support services such as human resources, accounting, and information technology are allocated on a per head count basis.

#### 15. <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### 16. Advertising Costs

The Ministries' policy is to expense advertising and marketing costs as incurred. Marketing costs were approximately \$797,000 for the year ended June 30, 2023.

#### 17. <u>Comparative Financial Information</u>

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Ministries' consolidated financial statements for the year ended June 30, 2022, from which the comparative totals were derived.

#### 18. <u>Reclassifications</u>

Certain reclassification of the prior year's comparative balances has been made to conform to the current year presentation.

#### NOTE D - FAIR VALUE MEASUREMENTS

The Ministries reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants will be used in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumption market participants would use in price in the asset or liability based on market data obtained from sources in the pendant of the reporting entity. Unobservable input our inputs that reflect the reporting entities own assumptions about the assumptions market participants would use in price in the asset on the best information available.

A three-tier hierarchy categorizes the inputs as following:

*Level 1* – Quoted market prices in active markets for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2* – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3* – Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A significant portion of the Ministries' investment assets are classified within level one because they comprise mutual funds with readily determinable fair values based on daily redemption values. The fair value of beneficial interest in assets held by the Community Foundation is based on the fair value of assets. These are considered to be level three measurements. The following table presents financial assets measured at fair value on a recurring basis as of June 30, 2023:

	Level 1	 Level 2	 Level 3	Fair Value

#### NOTE I - COMMITMENTS AND CONTINGENCIES

#### <u>Grants</u>

Management believes they are in compliance with the grant conditions imposed by their various funding sources.

#### Line of Credit

The Ministries has a revolving line of credit totaling \$1,500,000 with Bank of America and bears interest at LIBOR plus 2.85%. The line of credit is secured by personal property of the Ministries and is due March 2024. There were no borrowings outstanding on this line of credit as of June 30, 2023.

#### NOTE J - ENDOWMENT

The Ministries' endowment is comprised of donor-restricted funds designated to function as endowments. Net assets associated with endowment funds are classified and reported based on existence or absence of donor-imposed restrictions.

The Ministries established a designated fund with a local community foundation for the purpose of providing support for the Ministries' mission. This fund is reported as Beneficial Interest in Assets Held by others in the accompanying consolidated statement of financial position.

The Florida Uniform Prudent Management of Institutional Funds Act requires the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary.

The Ministries classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The Ministries considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund, the purposes of the Ministries and the donor-restricted endowment fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and appreciation of investments, other resources of the Ministries, and the investment policies of the Ministries.

The Ministries is developing an investment and spending policy for endowment assets that attempts to preserve the real (inflation adjusted) value of endowment assets, increase the real value of the portfolio, and facilitate a potential distribution to support some level of future operations. Endowment assets include those assets of donor-restricted funds that the Ministries must hold in perpetuity or for a donor-specified period(s).

The terms of the operating policies of the endowment funds (the Fund) will require that the Fund will be managed by the Investment Committee and approved by the board of directors. The Investment Committee will be responsible to oversee the portfolio's investments and monitor the investments on an ongoing basis to ensure that long-term objectives are being met.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2023

#### NOTE J - ENDOWMENT - Continued

The Investment Committee will set a target asset allocation for the portfolio's assets and seek advice from professional investment managers which hold the assets. The Fund will invest funds in accordance with the standards set forth in the Ministries' investment policy.

The Ministries' board of directors, on the recommendation of the Investment Committee, will adopt a spending policy that governs the annual distributions from the endowment fund that may be expended for current operations of the Ministries. This policy will authorize the Ministries to distribute from its endowment fund a specified percentage, to be determined by the board of directors from time to time, of the current market at budget time or fiscal year-end of the endowment fund. The policy will allow the board to base the distribution formula on the average market value over a period of several years as it chooses to do so. For the fiscal year ended June 30, 2023, the Ministries' board of directors did not distribute any endowment funds.

Distributions cannot exceed the accumulated unspent earnings of the endowment without the board's approval. Income earned in excess of the spending rate may be reinvested in endowment principal. This is consistent with the Ministries' objective to maintain the purchasing power of endowment assets as well as to provide additional real growth through investment return.

Changes in the endowment's net assets are as follows for the year ended June 30, 2023:

	Without D Restrictio		 ith Donor estrictions	 Total

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Metropolitan Ministries, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively the Ministries), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 16, 2023.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Ministries' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Ministries' internal control.

A *deficiency in internal* control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Ministries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Ministries' internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Ministries' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors Metropolitan Ministries, Inc. and Affiliates

## Report on Compliance for Each Major Federal Program and State Project

#### **Opinion on Each Major Federal Program and State Project**

We have audited Metropolitan Ministries, Inc. and Affiliates' (the Ministries) compliance with the types of compliance requirements described in OMB Compliance Supplement and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2023. The Ministries' major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Ministries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Ministries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Ministries' compliance with the compliance requirements referred to above.

## Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Ministries' federal programs and state projects.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Ministries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Ministries' compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Ministries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Ministries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of

compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we have not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose
